

Rising Stars Gymnastics Academy

20th Annual Spring Show Schedule

For Progressive Girls & Boys classes (beginner-masters, tramp & tumble)

Sunday, June 3rd, 2018

- Please check below for your child's performance session based on their class level and day of week that they attend.
- Students that come two days per week will only perform **once**. They are assigned to the session in the **first day** during the week they come. For example, if your child attends a Monday and a Thursday class, he/she will come to the Monday session.

Session 1: 9:30am - 10:30 am ~ **Beginner (Girls and Boys)**

Session 2: 11:00am -12:15 pm ~ **Intermediate Girls**

Session 3: 12:45pm - 1:45 pm ~ **Boys Intermediate/Advanced/Masters**
& Advanced Girls

Session 4: 2:00pm – 3:00 pm ~ **Master Girls & Tramp and Tumbling**

Your gymnast will “show off” what they have been working on all year.

The show is a low key, fun-filled, non-competitive event. After the program, we will have an awards ceremony where gymnasts will be called individually to a podium to receive their Spring Show trophy!

Friendly Reminders:

- Please arrive ten minutes prior to your child's show time to get checked in and ready for the show.
- Chairs will be set up in our big gym for families to come in and see the action up close. Spectators can also view from the upstairs lobby!
- Bring your camera and video device! There will be an area in the gym for you to take posed pictures by the Spring Show banner. Make sure to cheer on your favorite gymnast and his/her friends. ☺
- For everyone's safety, NO siblings or parents are allowed on ANY of the gym equipment at ANY time.
- Siblings must be supervised at ALL times.
