### "Do My Part" Agreement

Due to COVID-19, Rising Stars has a new agreement every family must sign before their child enters the gym. The agreement talks about what is expected of parents and gymnasts before, during, and after their class.

### Executive Order 20-81

To comply with Executive Order 20-81, everyone age 6 and older must wear a mask when entering Rising Stars. Students 6 and older must wear a mask during class.

### Preschool and Progressive Make-Up Policy

Due to the current situation, the CDC recommends we discourage make-ups in an effort to limit germs spreading by keeping the same children in the same class each week. However we understand missing a class is sometimes unavoidable. Students will receive 1 make-up. Make-ups must be scheduled with the front desk and need to occur within the session. Please note: Once a make-up has been scheduled it cannot be rescheduled.

### Tuition

Tuition is due in **FULL** at time of registration for each session in order to reserve your spot.

**No refunds for dropped or missed classes!**

### Note

Rising Stars reserves the right to cancel classes that do not enough interest or enrollment. Some classes may be a combination of levels.

### For Safety Reasons

Parents and students are NOT allowed in the gym without a Rising Stars staff member. This includes opening the door and talking to your child during class. We currently have limited viewing area due to CDC recommendations of social distancing. Only ONE parent/guardian is allowed into the building with each gymnast, and NO siblings at this time. Thank you for your cooperation.

### Weather Policy

If the gym is closed due to bad weather, this information will be on our Facebook page and web site. We will try to make this decision as soon as possible, following the lead of what other businesses are doing concerning area closings.

There are no refunds or additional make-ups for snow days, acts of nature, pandemics, or illnesses, such as the flu. However, these absences can be made up using your one make-up per session.

### Rising Stars Referral Program

When you refer a new student to Rising Stars and they sign up for a session of gymnastics, you receive a \$10.00 credit on your account to be used toward future tuition. This can only be used towards tuition and not as a refund or toward any pro shop items. To receive this credit, make sure your friend mentions your name on their registration form.

### Family Discount

There is a family discount for more than one child in your family. The 2<sup>nd</sup> child is 10% off, the 3<sup>rd</sup> child is 20% off, etc. Discount is applied to the lesser fee.
